My name is Nataly. I am owner and bag designer of a bag brand BAGART which was established in June 2014 in Kyiv Ukraine.

Everything I do I really do with a big love and passion.

The best thing I like is seeing the happy women and girls which are wearing my bags and enjoying them.

What is the Bagart brand?

Bagart is a rapidly developing creative Ukrainian brand of women's handmade accessories, which focuses on creating bags to use during the week and at weekends, as well as backpacks and clutches of the limited edition, all made using the best Italian leather.

«**Bag**» and «**Art**» - the name refers to the bright world of art, which we infuse into our bags. Bagart bags are not ordinary bags. Almost 100% of our bags are a completely unique combination of colors and leather. We devote a lot of time to ergonomics, thoroughly test our models before selling, and pour our love into the
